Mr. Geo. S. Cornell

My dear Sir:

I have just learned that Mr. Burnham will be here the first week in October and as I wish very much to see him before going west I shall await his arrival as well as the completion of the Tariff legislation which latter is promised Oct. 1st though there are many who doubt that.

From what my son writes you are pushing ahead badly and will be in good shape by the time the winter snow come on. This is as it should be, and the property kept in good condition during the winter while a very moderate amount of work is being done in the mine; in which view I think we agree. In this way we can the better command the situation while settling the assessments and preparing for the next summer's campaign.

In haste

Very truly Yours
W. J. Cheyney

P.S. Please show to my son. I will write him soon.
